

# **INSTITUTE OF SCIENTIFIC BUSINESS**

**(LIMITED BY GUARANTEE)**

The Institute was founded in 1962 as the professional body of the management educated in Britain.

Membership is open to all who have qualified in Management Studies at postgraduate level, as Associates. Those who are currently studying for such awards may enrol as Affiliates. In exceptional circumstances those without formal qualifications can be admitted to Non-corporate Membership.

All members receive the Journal, **MANAGEMENT DECISION** each quarter. In addition, Research Groups operate in several business centres undertaking studies of management problems. Seminars and Conferences are also arranged periodically.
